

Next Door

We're proud to say that we champion local produce and regional suppliers; from Mermaid Seafoods here in Llandudno to Dolmeinir Meats, whose wares come direct from the family farm on Anglesey. We bake our own bread every day, make each and every sauce or accompaniment – the mayo, the bearnaise, the dips, the chutneys – although we'll own up to leaving the ketchup to the experts.

Please take care to inform us of any allergies or intolerances. Unfortunately, we cannot guarantee an entirely nut-free cooking and dining environment.

Small and main plates

Rather than the conventional starter/main course style of dining, we suggest several smaller plates to share. We recommend between six and eight small plates (including sides) between two people. Of course, if you fancy a more substantial "main", then many items can be served as a larger portion. These "main" plates come with two sides included.
